* All Registration Fees are due with this Registration form and are required to reserve your place. They are Non-Refundable, and Non-Transferable.

** All Tuition & Non-Volunteer Fees for single-student families are due by the first rehearsal in August.

For families with 2 or more students: Half the total tuition is due by the first rehearsal in August, and the remainder by the last Monday in September.

Once classes begin, parents are liable for tuition and fees for their children for the entire school year. This specifically includes situations in which a child withdraws from Bravo during the year to re-enroll in school, tires of the program, or has too many other activities. The only exceptions to this policy are the death or catastrophic illness of a parent or child, moving more than 30 miles from Bravo's location, or a parent becoming unemployed.
